Freedom and happiness dictator

Security lowered as currency adaptation program lessen the publics views of metals. Miners begin attacking each other in sublime as well as manufacturers in earth, even sales and marketing became very dirty in energy sector and taxable grid.

Channeling city's wind channels through building blocks absorbtion through power generators across aves and streets and breezeways made for channeling air. Street steam spins my power generators and heats the streets through electrolips power generation systems located in sidewalk vaults in Manhattan streets. Very energy efficient for city Manhattan.

Channeling swiss rivers for boogie board and surfboard downhill slolom. Floor mounted armor to create water bumps and water walls to turn on like audibahn.
